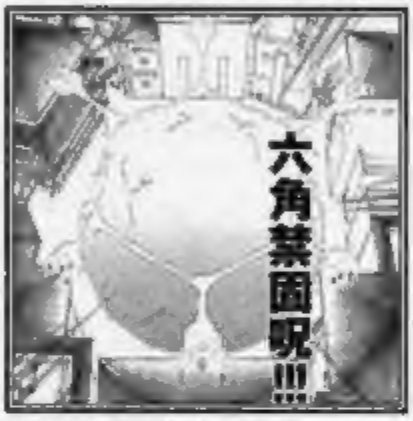
要花の【呪辞典】

僕、陀焔のメンバー！
要花！　今回は僕が呪について解説するよー

呪は、主に二つの方法で使われているよ。まず、呪術師が「直接繰り出す呪」と、誰でも使えるようにした「呪符の呪」だ。

直接繰り出す呪の種類はたくさんあって、二巻で南武が使った【飛翔包暴呪】や、

【飛翔包暴呪】



【六角禁固呪】

闘彩鳥を閉じ込めた【六角禁固呪】なんかがあるよ。

呪符でよく使われるのは、敵を捕らえる呪【捕縛呪符】。四巻でレイラちゃんが裏に使われて、異形種と一緒に縛られちゃったりしたやつだね。

基本的に三重には呪を使える侍が少ないんだ。だから、高等呪術師は特に貴重なの。仮や屋の豊場で会場がどよめいていたのは、そういうわけなんだ。

【捕縛呪符】

ちなみに入鏑さまは高等呪術師であると同時に黒煙眼の持ち主。すごいんだぞ～～！　入鏑さまがレイラちゃんと雪村にかけた呪は、【印文】を描くことにより、文字の効果が続く呪なんだ。結局、印文を切り破って逃げられちゃったけど……。

入鏑さまがレイラちゃんにかけた呪

あ！　僕、呪の解説なんかしてる場合じゃなかった！
入鏑さまに縛まれた仕事しなきゃ！
怒られる～。
じゃあね～～。

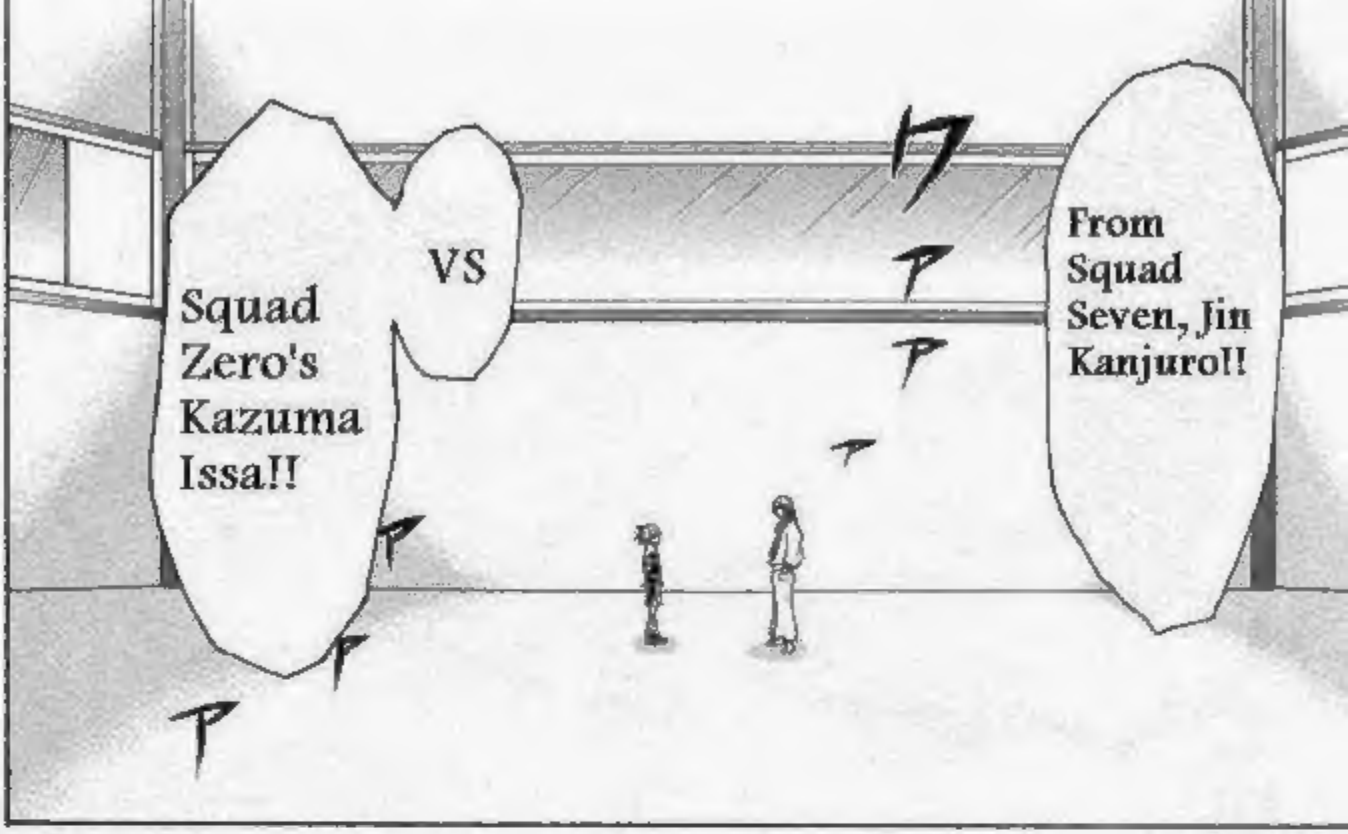
Mission:Twenty-Six___
Monsters and Spell Casters

任務(にんむ)◎その二十六(にじゅうろく)
バケモノと呪術師(ジュジュツし)



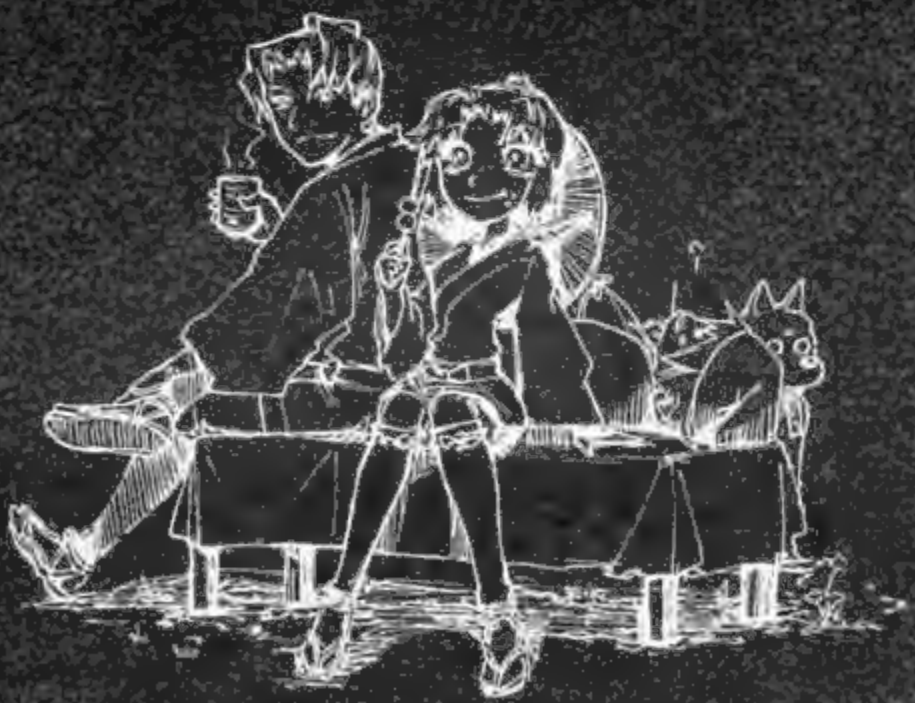
Squad Zero's Kazuma Issa!!
VS
From Squad Seven, Jin Kanjuro!!

Somewhere in this tournament is a trap set to take you down.
Captain, remember what I said...

...Not a like able fellow.
Jin of Squad Seven, huh..?

I heard that once, long ago...
...you almost killed one of your own squad members.
!!
And you sent two or three others to the hospital as well.
Pretty extreme, wouldn't you say?
Isn't that why your squad got disbanded ..?

Ever since I heard that story, I've been real interested in you..
Oh, but don't get me wrong. I mean it only in a good way.
I just feel like I can have real fun fighting against you.



I'm ending this in five minutes.
So if you have any aces up your sleeve or anything, bring it on early or you'll regret it.
Don't be such a party pooper.
I want us to take our time and have some fun...
...
BEGIN!!
Contestants! Step back!

EH?

Ua
Uwaah!

He's fast!
That pint sized captain's completely different from earlier!
Is Jin blocking him bare-handed?!

キン!!

!!

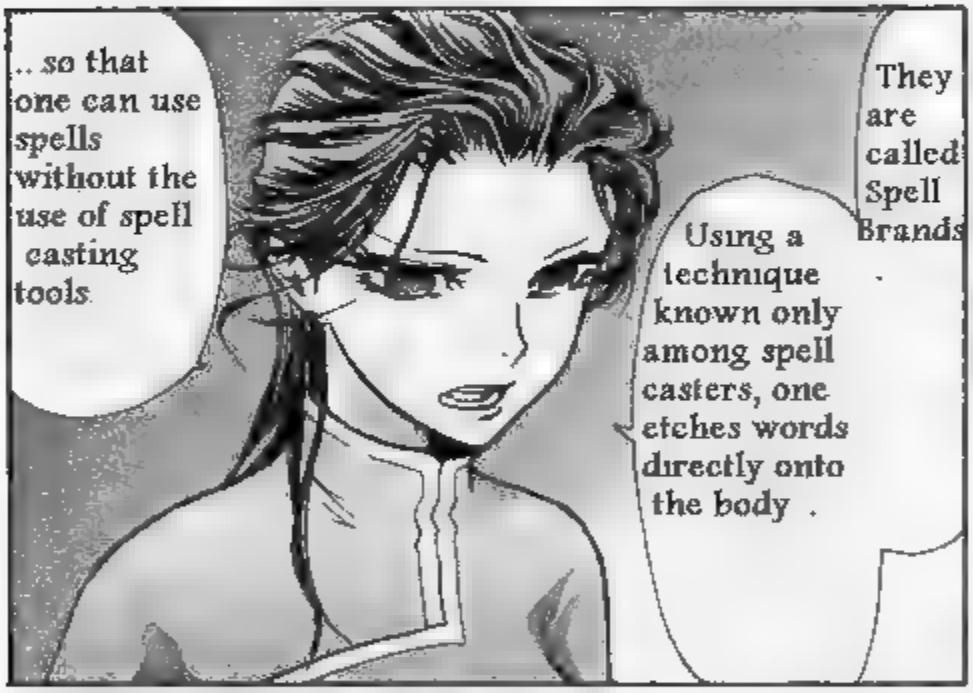
Talk about a secret weapon!!
Where is that Jin fellow hiding his spell casting tools!?

A first!
Whoa! It's a real battle between a warrior and a spell caster!
That's a defensive screen spell!

It's not as much fun if you rush things..
What's the hurry . ?
Hey, give me a chance to go on the offensive too, eh?

What are .. those tattoos ?!
Plus I don't see any spell casting tools anywhere
the "Spell-Brand-ing" techn ique.
You are a High Master, after all.

A High Master has appeared in public!!!
A High Master !!!

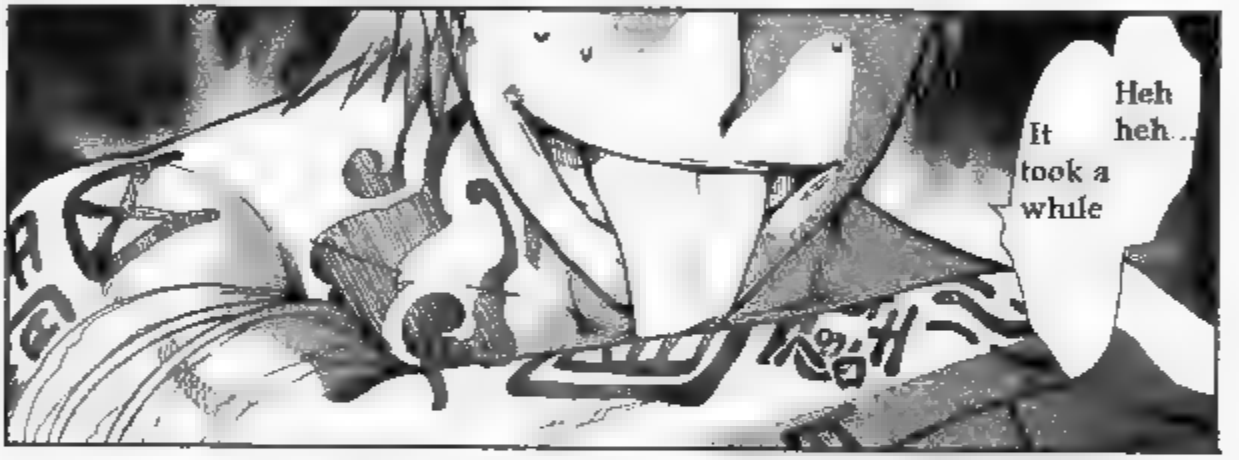


.. so that one can use spells without the use of spell casting tools
They are called Spell Brands .
Using a technique known only among spell casters, one etches words directly onto the body .

What are those tattoos ?

How . how convent -ent
However, with this technique, any spell caster can instantly become a High Master.
It is said that only one out of a thousand spell casters is born with the power of a High Master.

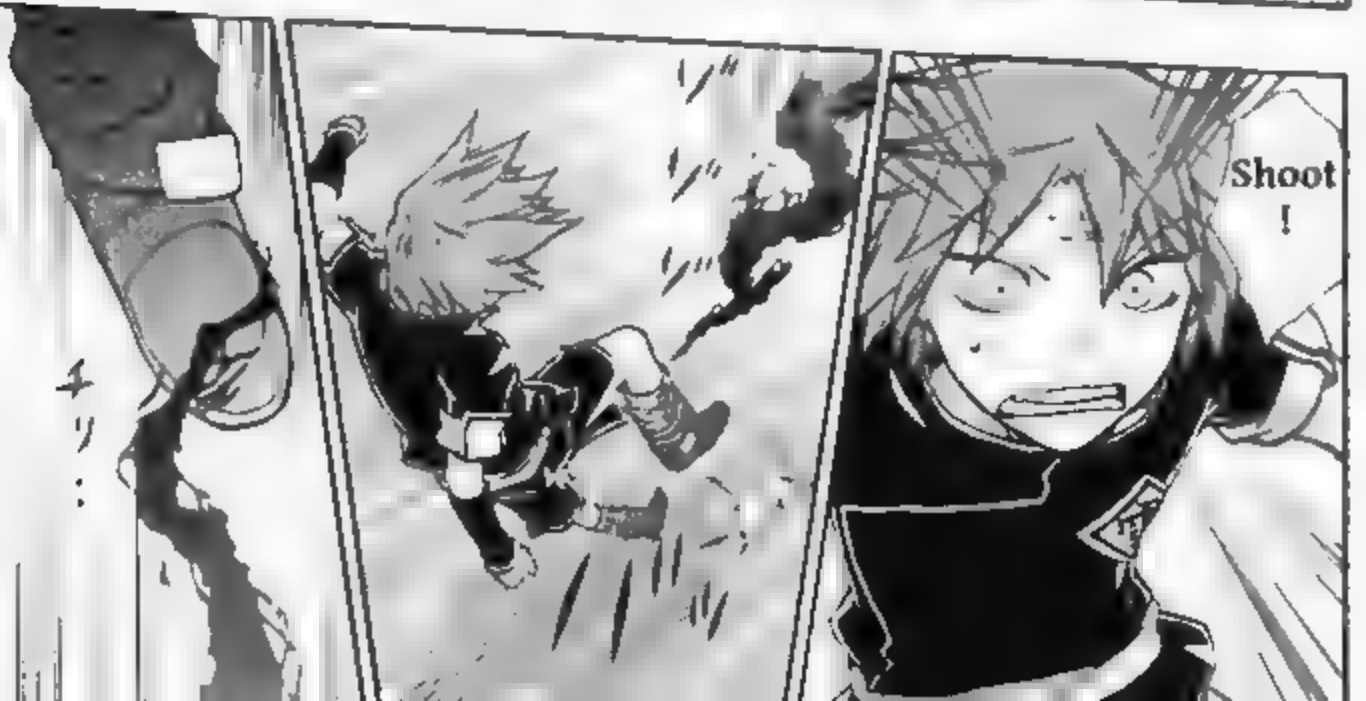
that one ends up bedridden for three days after each one! I can't believe you have so many!
It's said that spell brands are so excruciatingly painful ..
For ...
Yes, but I have never seen so many brands on a single person.



Heh heh..
It took a while

I wanted the power so badly that even the pain just became the sweet cost of gaining that power.
It became an addiction. I wanted more
But as I added them one by one...

Uh, no
Isn't it the same with you?
SFX TAP TAP
We're similar creatures
Aww, come on
SO LET'S HAVE SOME FUN!!



Shoot
!

Heheh
What is that spell.. ?
That's ..!
..the Black Raging Serpent!
!
AAAAAAAH!!

Unh....
ga~
aaah
!!
ビキ
ビキ
How dare he use it against a human, and in public view!!
A spell now shunned from use even against Dracules because of its loathsome nature.
A spell that inflicts continuous intense pain without causing fatality. .
'Cuz you can't tell with Dracules, you know, what it feels like .
ビキ
ビキ
I've always wanted to try it out on someone. .
ビキ

ピク.
Did old man Katsumi tell you that?
That's why I entered the tourney, eh? hehe
But I was told I could do whatever I wanted with you.
He told me I could do anything to make you lose in an ugly way
Seems he really hates you.
Aw, geez ... you knew?
That's right, *Shimon Katsumi*.
So don't tell me you're going to end this in five minutes..
I don't have to hold back, right. ?
Besides, I hear you're only half-human?

So let me have my fun!!
There are a lot more spells I've been dying to test!
I won't deny it hurts real bad... but compared to Sun Ichi's Cliff Drop...
...it burns less than the tearoom's lukewarm tea!!
!?

Yah!!
Ugh!

AIEEEEE!!!

HAH
You're not going to die from it
Quit screeching.
HAH
HAH
HAH
My fingers !!
You broke my fingers !!

A SPELL CASTER'S FINGERS ARE THE GOLDEN INSTRUMENTS OF HIS CRAFT!!
DON'T COMPARE ME TO YOU!!
HOW DARE YOU ..

.you'll probably need six others in hexagonal formation, no?
Besides which if you really plan to win against me
Aw, but I think twisted fingers suit you better..
HAH

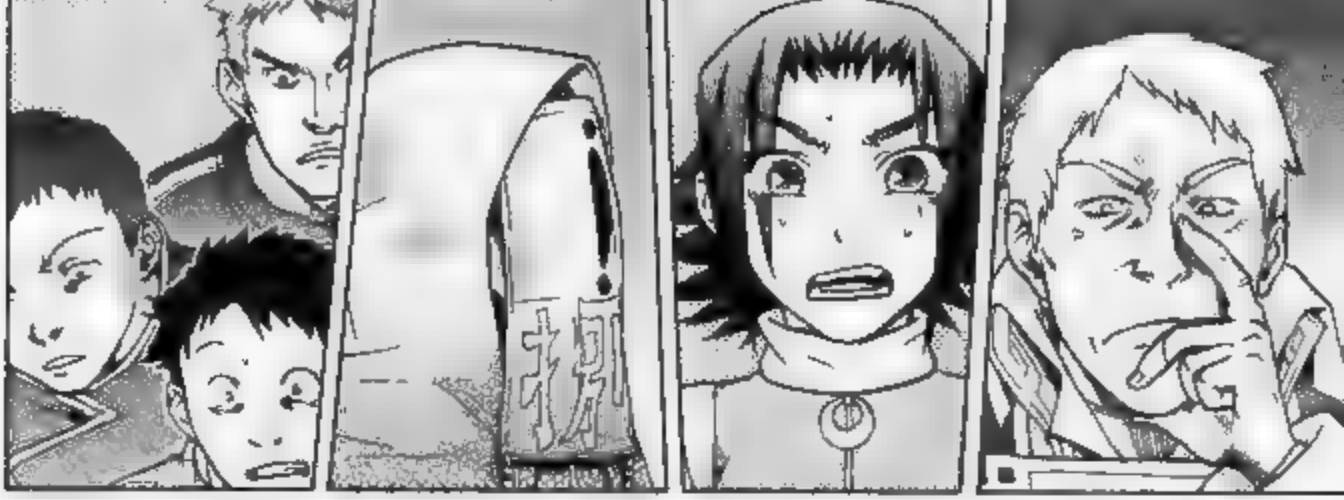
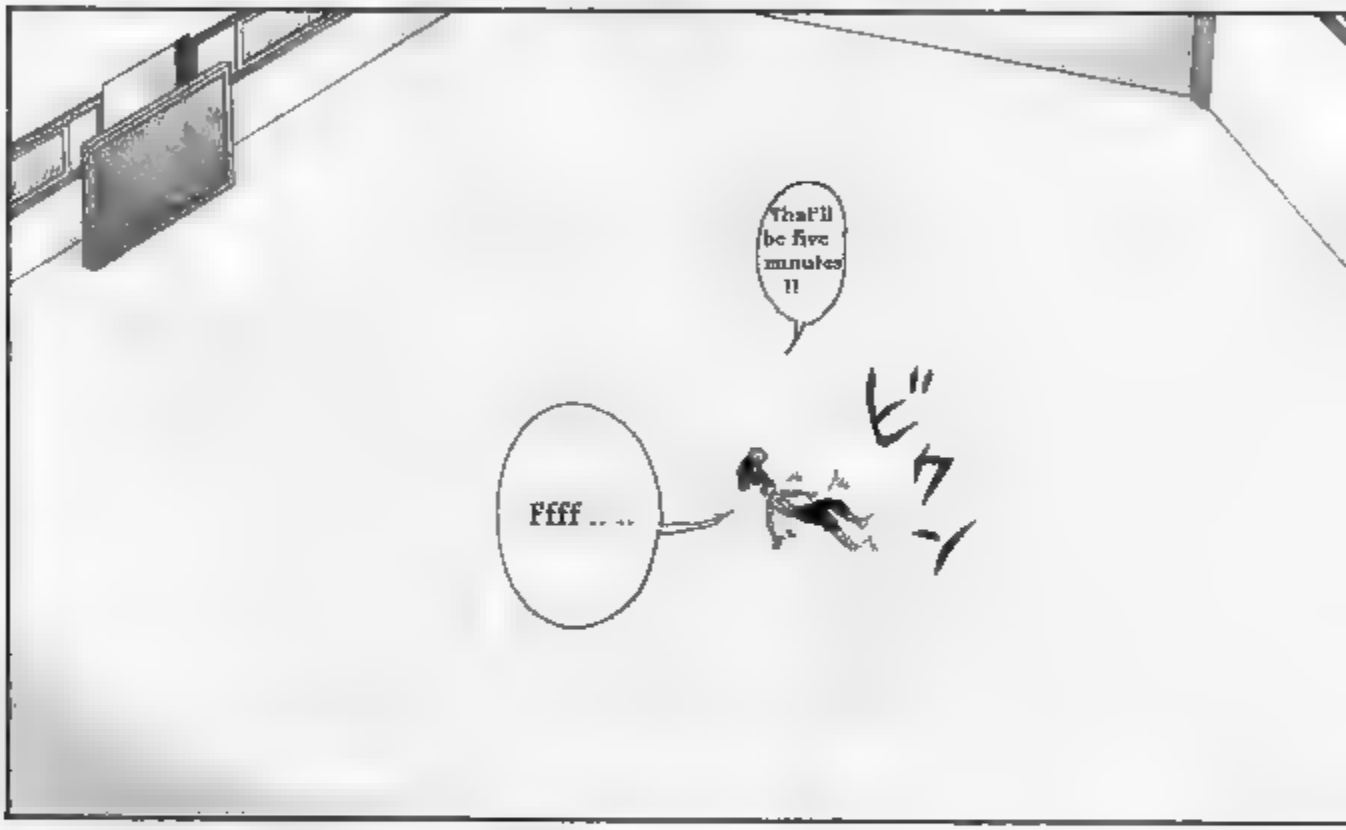
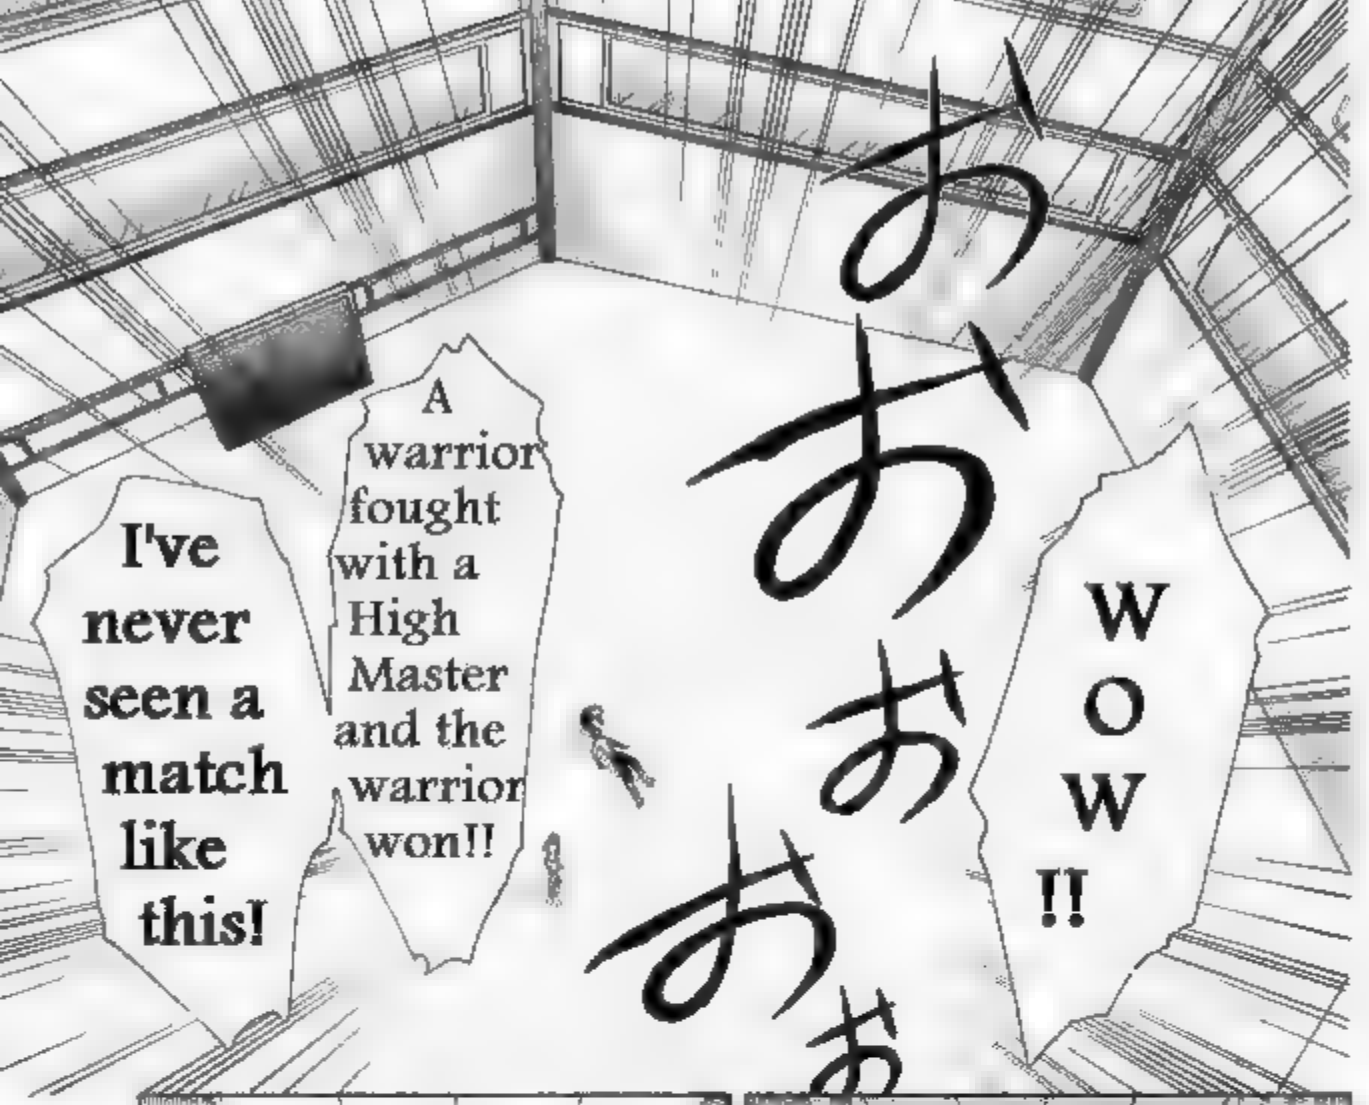
Old man Shimon sure doesn't hold back!

I had this doubled in strength!
Ffff ....
You really think I'd enter something like this unprepared !?
Well then .
Besides . I'd really rather not have to go through it a third time ..
!?





Typesetter xD That is very humorous I wonder if it's wet? O_O

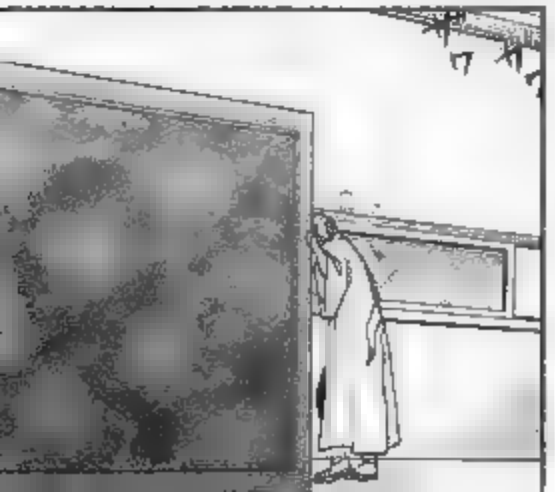


おおおおお
WOW!!
A warrior fought with a High Master and the warrior won!!
I've never seen a match like this!

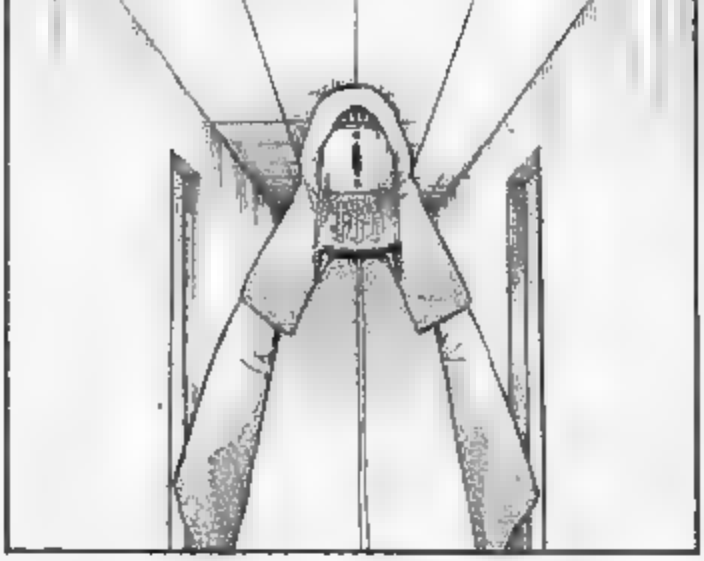
Hu.

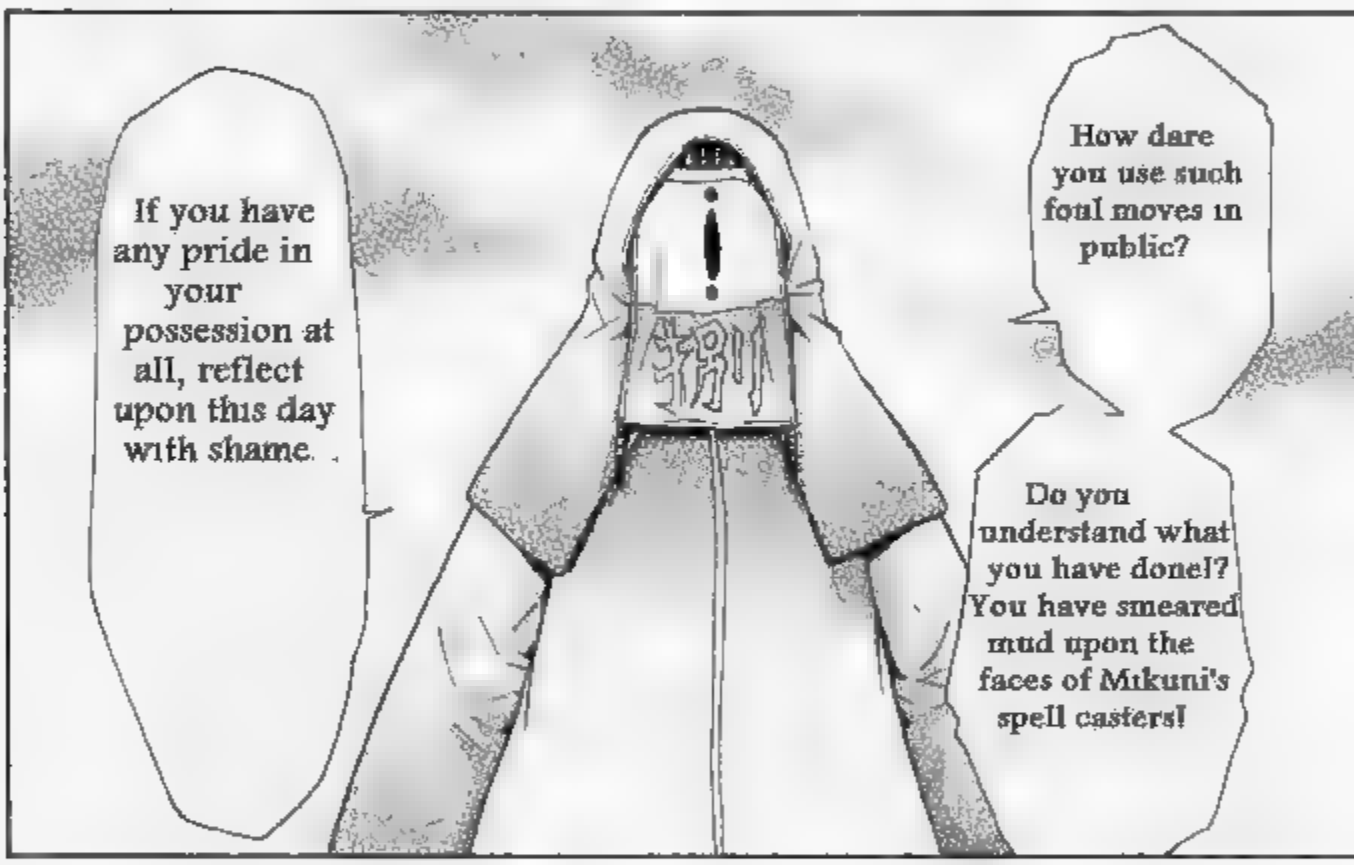
I was a bit worried there for a while!
Phew, so glad that's over.

SFX: Sniffle"

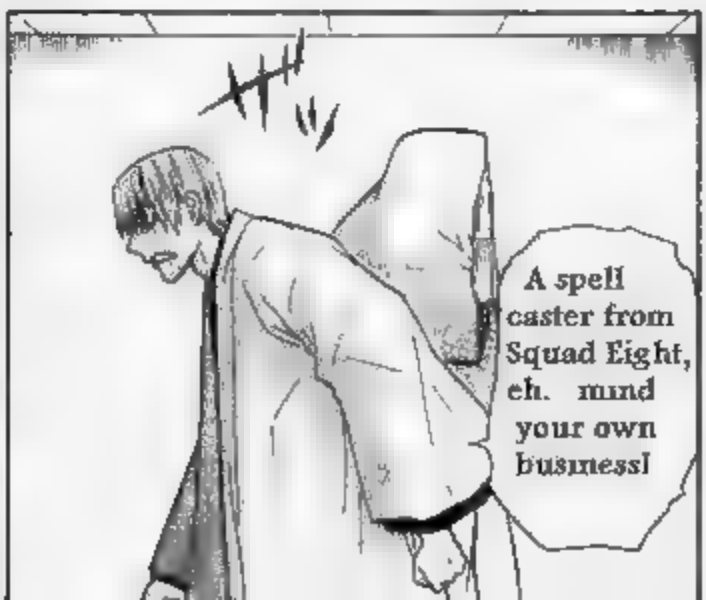


whoa!!
I'm so relieved Captain!!!

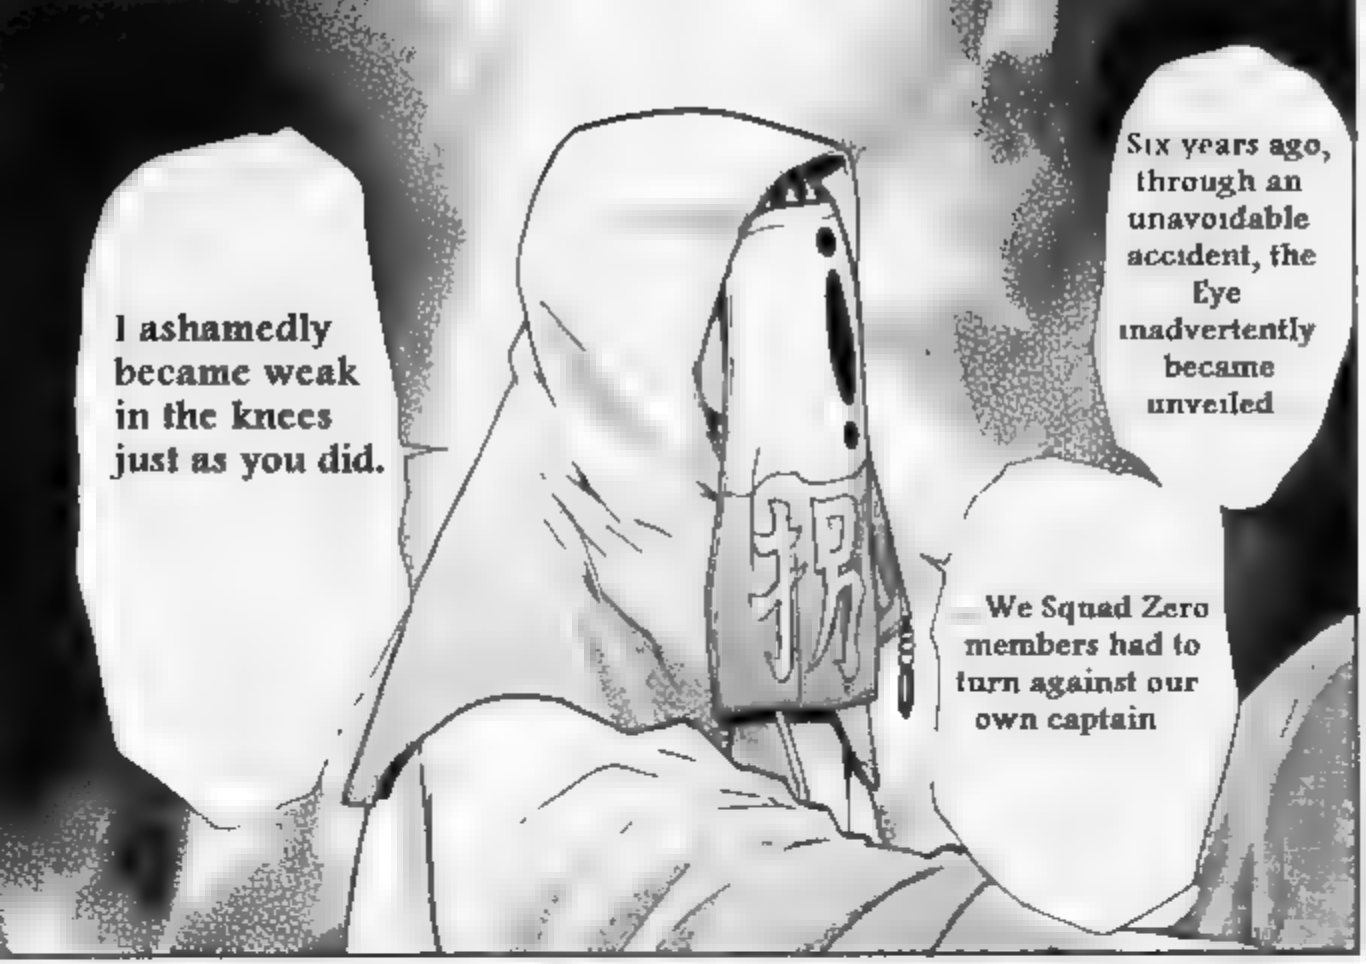




If you have any pride in your possession at all, reflect upon this day with shame.
How dare you use such foul moves in public?
Do you understand what you have done!? You have smeared mud upon the faces of Mikuni's spell casters!

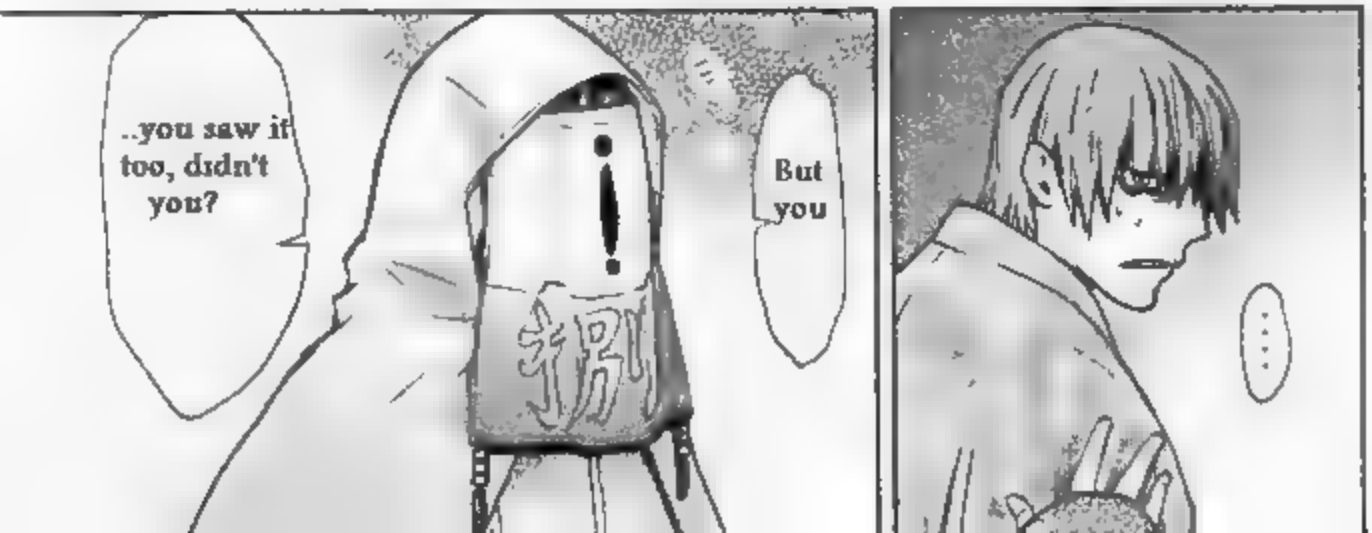


A spell caster from Squad Eight, eh. mind your own business!



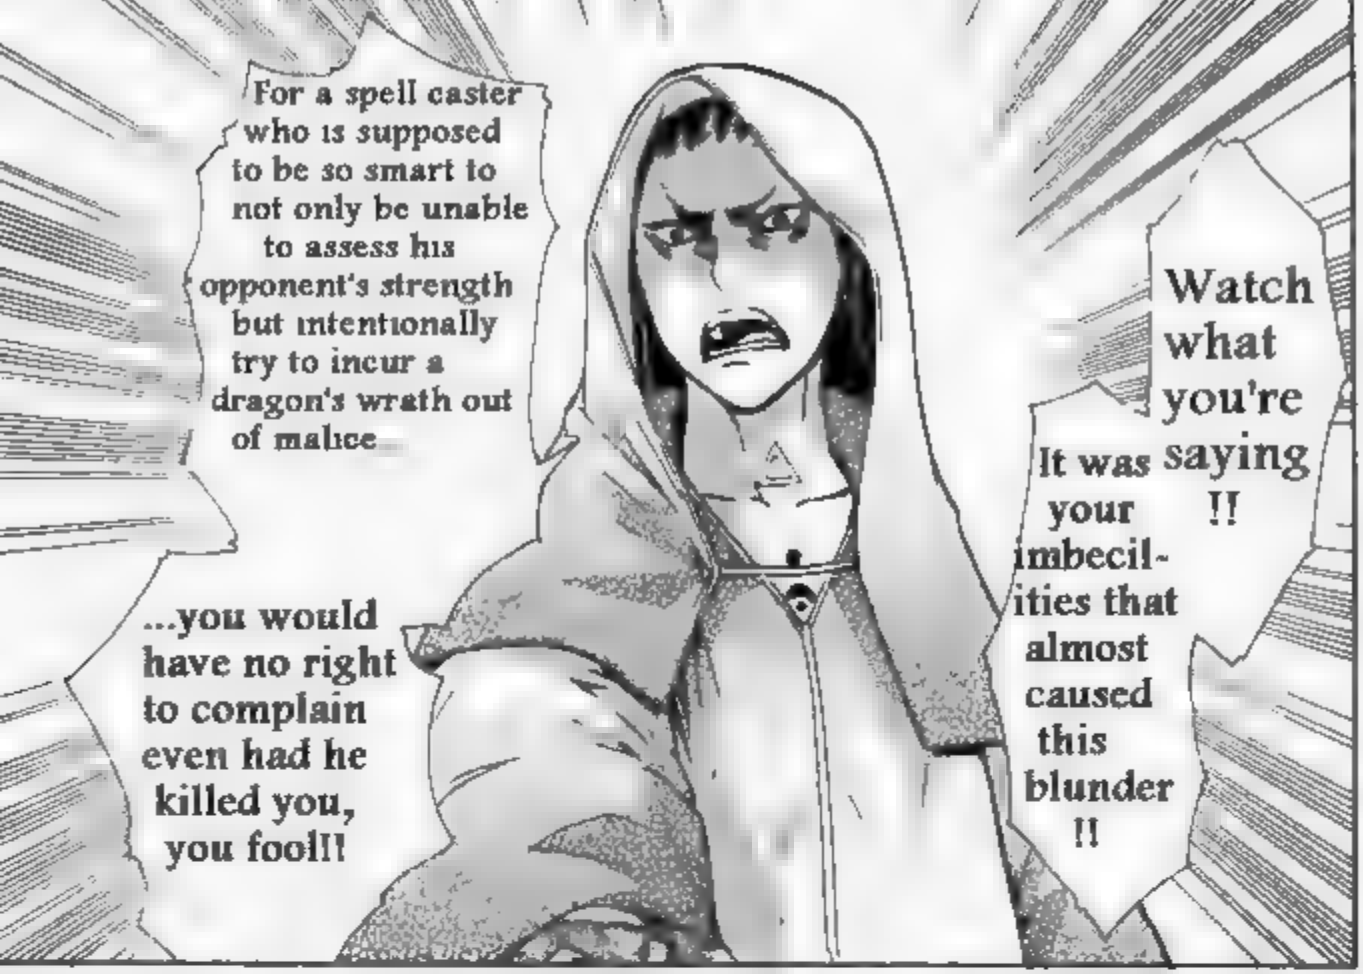
I ashamedly became weak in the knees just as you did.
Six years ago, through an unavoidable accident, the Eye inadvertently became unveiled
We Squad Zero members had to turn against our own captain

suffered the severest injuries
Kiura-san, who was the first to jump in . .

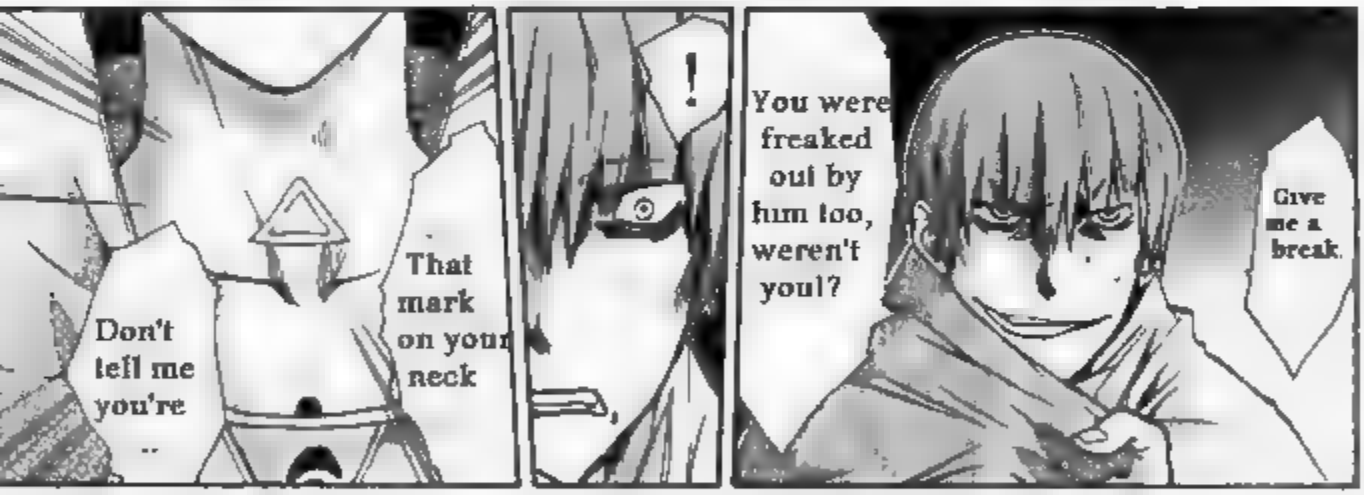


..you saw it too, didn't you?
But you
...

That he's a monster !?



For a spell caster who is supposed to be so smart to not only be unable to assess his opponent's strength but intentionally try to incur a dragon's wrath out of malice...
...you would have no right to complain even had he killed you, you fool!!
It was your imbecil-ities that almost caused this blunder !!
Watch what you're saying !!



Don't tell me you're ..
That mark on your neck
!
You were freaked out by him too, weren't you!?
Give me a break.

You don't need to remind me that I bear the greatest regrets about that day
"Freaked out," huh. . hmph.
I've had enough! Count me out!
What is up with this year's tourna ment!?

15 minutes earlier
I left you in charge
and this happ -ened?
Come, Iruka We need you there.
And the other job is higher priority
humph. Well, never mind. It's not that easy to get out of here.
She said she knew Irie -sama's voice.
She told me, though . . .
Either way, we have to get out of here.
. . . . . They left . . . . . Did that little one keep quiet about us?

This leads up.
But... I can't climb it carrying him....
Sousei -san, hold onto me, okay?
Unh.
Unh.
blink
What should I do? I don't really want to wake him...
Sousei -san looks so pained...
Don't try to talk too much!
.....
You ran .....with me...
...all the way here?
Sousei -san!
Leila ...?

Typesetter: Oohh....scarred for life. Now she can never get married....but with him, there's a HUGE chance.

Why you gotta shut those eyes!? D<

Now... sorry to keep you waiting, Iruka...
From here on out, it's time for you to display your skills.
It's a critical job. Eat well.

There are certainly plenty of yummy spells here.
